Dear Joe:

Gordon Stewart spoke to me about your letter to him of 30 June last. I have been meaning to write to you about this for some time. I quite understand your position and contract or no contract, I know that I can count on you for help and guidance.

I look forward to seeing you upon your return.

The pressure has been heavy these last weeks but if it ever relaxes I hope to get away for a trip to Europe, probably during September.

Love to Alice.

Sincerely,

Allen W. Dulles
